SUCCESSES AND CHALLENGES

- Resolution No. 722 of 07/18/2018 was adopted by the government on approval of the Instruction on organization of nutrition of children and students in educational institutions.
- In 2016-2017, financial standards for feeding children / students in educational institutions were indexed and made effective September 1, 2018, they were increased by an average of two lei per child per day. In this regard, the state budget for 2018 was allocated 51 million lei.
- With funds provided by the government, canteens of 137 educational institutions were repaired. In Chisinau, 9.5 million lei were allocated for the repair of food blocks. Thus, food blocks of 61 educational institutions were repaired.

STUDIES CONDUCTED

None reported

RESEARCH NEEDED

- Detailed analysis of costs
- Alternative models of school feeding in public schools

ORGANIZATION OF NUTRITION IN PUBLIC SCHOOLS
