SCHOOL MEAL/FEEDING PROGRAM(S)

School year: 2020–2021
- EU school fruit, vegetables, and milk scheme in primary schools

Lead Agency: Ministry of Agriculture, Nature and Food Quality

NATIONAL LAWS, POLICIES, AND STANDARDS

- National school feeding policy
- Nutrition
- Food safety
- Health
- Agriculture
- Private sector involvement

Line item in the national budget... Yes □ No □ No response

BUDGET

Total: USD 7,954,974*
- Government: USD 0
- International donors**: USD 7,954,974
- Private sector: USD 0
- Other donors: USD 0

Includes funding from the United States Department of Agriculture Yes □ No □ No response

* Support for the school fruit, vegetables, and milk scheme comes from the European Union.
**International donations by United Nations agencies or non-governmental organizations often represent funding from multiple donors.

INFRASTRUCTURE

All schools in the Netherlands have electricity, piped and clean water, and flush toilets, while some schools also have dedicated eating spaces/cafeterias and kitchens.

SPECIAL NOTES

While the Netherlands distributes milk through the EU school scheme, information on the milk scheme is not included in the budget or numbers of students receiving food. Some population and enrollment numbers from the UNESCO Institute of Statistics (UIS) were used to complete this report. This may result in some misalignment between the population and enrollment numbers.

**CONTACTS: NETHERLANDS**

Agency: Ministry of Health, Welfare and Sport and Ministry of Agriculture, Nature and Food Quality

Website: www.gezondeschool.nl; www.euschoolfruit.nl

**SUCCESSES AND CHALLENGES**

In addition to participating in the EU school fruit, vegetables and milk scheme, the Netherlands has a program called Healthy School (Gezonde School) that supports schools in encouraging good nutrition and a healthy lifestyle for school children. More information can be found at www.gezondeschool.nl.

**EMERGENCIES/COVID-19 PANDEMIC**

Schools in the Netherlands were closed and operating remotely for several months in the middle of the 2020–2021 school year. Though COVID-19 caused school closures, there was no shortage of food supplies to the schools.
EU SCHOOL FRUIT, VEGETABLES, AND MILK SCHEME IN PRIMARY SCHOOLS

Lead implementer(s): Ministry of Agriculture, Nature and Food Quality

OBJECTIVES:
• To meet educational goals
• To meet nutritional and/or health goals

MODALITIES OF PROVIDING STUDENTS WITH FOOD:
• In-school snacks
