

## 2024 Global Child Nutrition Forum Agenda

### **Theme: School Meal Programs in an Era of Food Systems Transformation**

The objectives of the 2024 Global Child Nutrition Forum in Osaka, Japan are to:

- Serve as a key platform for governments and their partners to learn, exchange experiences, and gain inspiration for building, maintaining, and expanding high quality school meal programs.
- Highlight results of the Global Survey of School Meal Programs © and other research, trends, and innovations relevant to school meal programs.
- Showcase Japan's local, national, and international experiences with school meal programs and serve as an official pre-event to the 2025 Tokyo International Conference on African Development (TICAD).
- Collectively develop key messages reflecting participant priorities to guide advocacy efforts over the coming year.
- Support the objectives of the School Meals Coalition (SMC) and Nutrition for Growth (N4G).

The Forum is offered in cooperation with the Japanese Ministry of Foreign Affairs (MOFA); the Ministry of Education, Culture, Sports, Science and Technology (MEXT); the Ministry of Agriculture, Forestry and Fisheries (MAFF); the School Meals Coalition; and International Child Nutrition Japan.

The 2024 Forum has been made possible with thanks to the generous support of: The Rockefeller Foundation, the Children's Investment Fund Foundation, Catholic Relief Services, Ajinomoto, Food for Education, The Foundation for Fresh Produce, Nakanishi, World Vision, Edesia and Sanku.
